Getting to know our New Staff!

We are excited to introduce our newest Physical Therapist in the Falmouth area - Jennifer Nadeau. Jennifer graduated from Husson University in 2010 with a Doctorate in Physical Therapy. She has 4 years of experience working with the older adult population in skilled nursing and outpatient settings. Jennifer has been a wonderful addition to our growing team!

We are pleased to introduce our Provider Relations Coordinator- Grace Hachey.

Grace's goal is to ensure excellence in customer service. She is eager to present our services and programs and maintain strong communication between providers. We are proud to have her represent our team in the community!

Last but not least- Jennie Barney is now working full-time as an administrative assistant. Jennie brightens the office with her positive attitude. We could not be any happier to have her as part of our office team!

Wishing everyone a healthy and happy fall season!
